

# TRINITY CATHOLIC ACADEMY

*where students are known, loved, and called to excellence*

Co-sponsored by the Campaign for Catholic Schools and the Archdiocese of Boston, Trinity Catholic Academy (TCA) is a regional Catholic school serving children ages 2.9 to grade 8. Formed in 2007 as a legacy school from three former parish elementary schools, our fully renovated school buildings provide strong academics, Catholic faith formation, and an array of music/ instrumental, competitive sports, and before/after-school programs.

Generous scholarship and financial assistance available. Come join our TCA school community today!
